THE 1954 BUFFALO

PUBLISHED BY THE STUDENTS OF MILLIGAN COLLEGE, MILLIGAN COLLEGE, TENN.

We, the Senior Class of 1954,
dedicate this Annual to Miss
Ruth White. Through her
work with the choir and her
participation in church activ-
ities and community affairs,
she has contributed toward
the growth of Milligan.

FOREWORD

How best to write the vivid story of a year at Milligan? Is it possible to portray the many moments of joy and sadness which are the essence of life in our college? Looking back through this memorable year, we have sought to recapture those hours which are unforgettable for all of us. If the scenes which we have pictured in the following chapters of the BUFFALO stir fond recollections with future glimpses, we shall have succeeded in symbolizing one year of living in the true spirit of Milligan, ever to be cherished in our hearts.

Chapter 1

Activities

We Arrive

*We
Register*

Rat Week

These are the days when the fellows get a "jolt" when they see those cute little freshmen girls they have been admiring so much look a little "ratty" with no make-up and clashing clothes. The "rats" who were Senior Class Presidents, basketball stars, and Home-Coming Queens come to the realization that high school is over and that they must win the friendship of these new college acquaintances — so all is fun, good nature wins out, and the week brings about an understanding that brightens the months ahead!

Smokies Trip

We all welcome the opportunity to go on that Smoky Mountain Trip in the early autumn. Clanging alarm clocks and the long bus ride are forgotten in the pleasures of the day — the sight of bear cubs along the highway, the breath-taking display of autumn color, the visit to the Cherokee Reservation — all to be remembered by our snapshots and souvenirs.

Spook Time

The gentlemen of Pardee entertain the college at Spook Time. Bewitching decorations, hilarious games, and outlandish costumes make their party one of the happiest occasions of the college year.

Twirp Week

This is the week when every girl has a chance to get her man—and every man has the experience of knowing how it feels to wonder whether he will have a date for a special night. Many Milligan romances have had their beginning during this week — even though “The Woman Is Requested to Pay.”

Founder's Day

One of the most outstanding days in the memory of a Milligan student is the day of Homecoming. At Milligan this celebrated occasion is known as Founder's Day. It is an exciting day of many activities for all students, alumni, and old friends.

The highlight of the day is a banquet held in Cheek gymnasium to pay tribute to the men and women who have helped to shape the destiny of Milligan College down through the years.

With the selection of Founder's Day Daughter, the day's activities come to a close. From among seven lovely candidates, Miss Kitty Wert, from Lock Haven, Pennsylvania, sponsored by the Pre-Med Club, won the coveted honor.

Christmas Time

Christmas time calls forth all our talents. Everybody sings — Pardee serenades Cheek and Hardin; Santa Claus comes to Hardin Hall; the college presents the Christmas story in song and pageant; and our last chapel ends with the joyous song: "Hark the herald angels shout, One more day and we'll be out'."

BASKETBALL

Milligan College is proud of the work of the '53-'54 basketball team. Although the record may not be too impressive, it doesn't show the odds against which the team played.

Not enough credit for this success can be given to Coach Walker and to our leaders, co-captains Jim Burgett and Bud Gaslin. Coach Walker has continued his great work since moving here three years ago, while Jim and Bud showed great leadership at all times.

BASEBALL

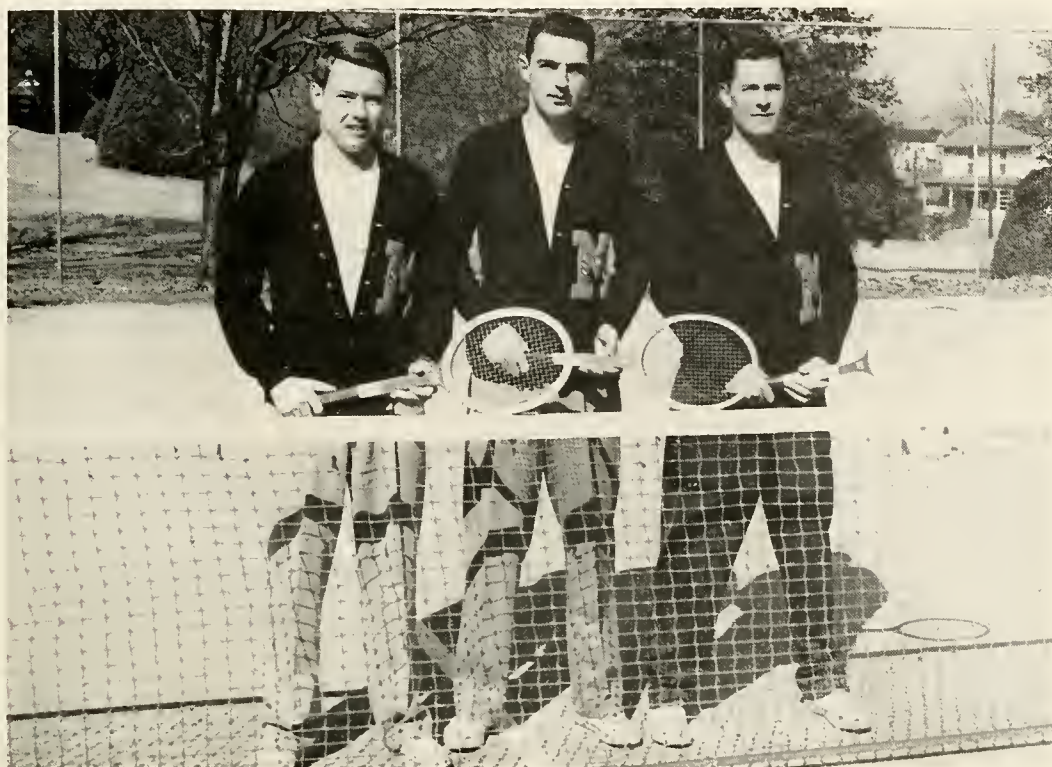

The Milligan College baseball team is looking forward to a good year with several returning lettermen and a very good crop of freshmen prospects. All around, this year should be much better than last, with the team being built around these veterans: Leonard Gallimore, Don Taylor, Pete Miller, Don Williams, Jim Fox, James Fletcher, George Davis, and Frank Hawks.

Tennis, under the leadership of Miss Mynatt has come to be a major sport at Milligan College. The team this year is built around number one man Phil Roush and ably supported by the return of Grant Layman and Leonard Gallimore.

In Memoriam

Calvin Dougherty, son of Mr. and Mrs. Lowell Dougherty, came to Milligan College from Greenwood, Indiana, as a member of the Freshman Class of 1953. He was a graduate of the Clark Township High School, where he was an excellent student and a member of the basketball and baseball teams. He was a member of the Rocklane Christian Church.

In Calvin's memory, the Freshman Class of 1953 has established a Calvin Dougherty Memorial Fund to be used for the improvement of the library facilities of the college.

While his death inevitably shocked and saddened all who had known and loved him, we are comforted by our faith in the wisdom of our Heavenly Father.

"What have you done," St. Peter asked, "That I should admit you here?" "We ran an Annual," the young people said, "Of our college for one long year." St. Peter gravely bowed his head, "What you've been thru I know! Come in, poor kids, pick out your harps, 'Tis here you deserve to go."	The Annual Staff sincerely hopes that you have enjoyed this edition of THE BUFFALO. In the years to come may you enjoy it even more. STAFF, '54
